MINE-SPEC 4WD TRAINING

SCHOOL DRIVER TRAINING

SDT offers a range of driver training programs to High schools across Central Queensland. This includes the Physics in Motion Science Program, Safe Driving Expo, Simulator Driver Training and Safe Drive Test Drive: Driver Safety Program. Training cars are supplied. SDT has been conducting High school based driver training across Australia since 1996. Over 100,000 students have attended our programs. Training also available to school staff that drive mini buses.

STAFF DRIVER TRAINING

SDT offers a range of driver safety programs to help company fleets manage safety and reduce "at-fault" crashes. Programs include Defensive Driver Training, 4WD Training, Bus/Truck training, Safety Workshops, Simulator Driver Training, Low-Risk "on-road" Driver Mentoring Sessions, Driver Assessments, Development of Safe Driving Videos. SDT clients include leading multi-nationals across Asia-Pacific.

SUPER DRIFT TRAINING*

Learn to slide a car like the movies or driving games. SDT offers you the opportunity to learn the motorsport of drifting in real drift-spec training cars. Our instructors are highly skilled with international experience. We also offer Drift "slide of a lifetime" passenger rides.

*Drifting only permitted at certain venues

SPORTS DRIVER TRAINING

SDT offers car clubs, social groups and performance car owners a chance to refine their driving skills in our unique circuit training sessions. These programs can include circuit laps, timed driving events skid control training (with skid tyres) and drifting*. Our instructors have years of motorsport experience to assist you to get the most from your car in a relaxed coaching format. FIFO workers and social groups can be catered for in special group packages using our race-prepped cars.

SAFE DIRT TRAINING

SDT offers accredited mine-spec driver training to address the unique risks of operating 4WD vehicles on remote and unsealed roads. Courses include 4WD High Range Gravel Defensive Driving, 4WD Low Range Off-road and Recovery. These courses are often minimum driving standards for many oil, gas and mining operations. Courses codes we offer include **RIIVEH201B**, **RIIVEH305A**, **PMASUP236B**, **TLIC1051A**, **TLIC2025A**.

CORPORATE DRIVE DAYS

SDT offers a range a unique and exciting Corporate driving programs. These days can be tailored to your timeline, budget and desires. Activities can include: Circuit Driving, Fast Car Hot Laps, Super Drift Training*, Drift "slide of a lifetime" passenger rides*, Stunt Driver Training, 4WD Training, Simulator Training, Advanced Car Control Training, Safety Workshops, Team Building Activities.
