

MORGAN PARK RACEWAY, WARWICK (QLD)

ENJOY YOUR CAR.....LEARN NEW SKILLS

Learn the fundamentals of circuit driving and explore the capabilities of your sports car at this exciting Sports Driver Training program.

The full day session involves both group and personal 1-on-1 in-car mentoring from experienced motorsport coaches. Our team have a relaxed nature but intense interest in your professional development. We tailor our assistance to your needs, whether it is your first time at a circuit or you are regular competitor seeking to lower lap times or refine the setup of your car.

Circuit "A" 730m

Circuit "B" 1200m

Circuit "C" 1000m

Circuit "D" 1500m

Circuit "E" 2100m

Mentoring will focus on cornering lines, steering input, gear changing, left foot braking, heel/toe downshifting, trail braking, vision through corners, suspension tuning, tyre pressures etc

Unlike other track lap programs, we operate these days under stringent safety standards to ensure cars are kept apart and your laps are enjoyed without risking a collision. A Helmet and full length clothing are mandatory and head-to-head racing is not permitted. We also don't overfill the track with massive numbers of cars "happy" lapping at one time.

2017 DATES: Wednesday 16 August, Monday 2 October, Friday 15 December
(Brisbane Show Holiday) (Public Holiday) (week before Xmas)

During the day we use different track configurations at the undulating Morgan Park circuit. These layouts will delight drivers with the variety of fast and slow corners plus elevation changes.

Please Note: for safety reasons we do not use the full "longest" configuration due to speeds becoming excessive for road registered cars.

Our instructors are highly experienced motorsport competitors (without the associated ego's) who have driven on the following racing circuits (either racing, testing or conducting hot laps)

Chris O'Shannessy: *Sepang, Chang, Mount Panorama (Bathurst), Oran Park, Lakeside, Queensland Raceway, Morgan Park, Mallala, Phillip Island*

Ross Street: *Mount Panorama (Bathurst), Oran Park, Lakeside, Morgan Park, Queensland Raceway, Mallala, Phillip Island, Calder, Amaroo, Winton, Eastern Creek, Wakefield Park, Catalina Park*

Joel Neilsen: *Sepang, Sentul, Chengdu, Bangkok, Lakeside, Queensland Raceway, Morgan Park, Calder, Eastern Creek, Surfers Paradise, Darlington Park, Adelaide International, Marulan*

+ all have driven numerous hill climbs, street sprints, skidpans and driver training circuits. Graham Edwards, Paul Jansen, Ben Logan, Alex Bradford also are involved with this training.

Performance Car Hire:

If you or your friend don't own a car suitable for circuit driving, we can supply performance cars for this program. This means your friend can accompany you to Morgan Park and experience the thrills of a track session. The half day session (3.5 hours) provides each driver at least 20 laps of in-car coaching.
