Unique things we offer

- 28 years of experience, thousands of school groups and 100,000+ course participants
- A range of vehicles are supplied so the novice driver gets to experience the difference between large and small vehicles as well as front and rear wheel drive. By not using their own vehicle the participant gains confidence and understanding of the characteristics and limits of different vehicles. Most of our training vehicles are automatic. [< CLICK HERE FOR MORE INFORMATION ON THE VEHICLES WE SUPPLY >](#)
- Foam objects (children and kangaroos) are used to simulate impacts for crash avoidance training
- We are the exclusive distributor for Fatal Vision Alcohol and Drug impairment goggles as used on the day
- Participants receive a certificate and a safety pack with a tyre gauge and 5 x metal valve caps
- Our certificate should be added to a job application and resume to show potential employers

Minimum requirements to attend

- A learners or provisional licence with **at least 20 hours** of driving experience
- Participant's must know how to start and move a vehicle
- The practical training cannot be attended unless the prerequisite online modules are completed

PLEASE NOTE: in Queensland log books hours can only be earned from in-vehicle training on public roads
